Grades - I preach academic responsibility. This is crunch time. We have to win the classroom first.

Fundraiser - We have \$200 of candy in room 13. There's more to come.

Lessons - Lessons are available at McLeland Tennis Center. Michele Cortez (Marissa's mom), has been trying to get a group together. Starting March 6, a group is meeting from 12-1 on Saturdays at McLeland. The cost is only \$10 per player. I have stressed the need for lessons since we first met. Just like the shirt says, if you want to be extraordinary, you have to do something extra. Call Michelle at 817-773-5048. You can also call Tom, Scott, or Linton at 817-921-5134. Randall Griffin also gives lessons and can meet at Heights. Call him at 817-798-8798.

Uniforms - I placed another order last Friday. They should be in this week. The DUC uniforms looks nice at our last match. The dress is \$34, the Top & Skirt is \$54, and the Guys Shirt and Shorts are \$52.

Looking forward to another good week. Parents, stress grades this week.

See you on the courts,

Coach Rose
